**DEAR PARENTS & STUDENTS,**

**GRADE V - IX & XI**

**GREETINGS!**

*“Honesty is the First Chapter of the Book - Wisdom” - Thomas Jefferson*

Hope this circular finds you in the best for your health! The circulars for the Annual Examination 2021 has already been posted to all the parents and students. The current change in the situation of COVID-19 across Maharashtra, followed by lockdown till February 28, 2021, the decision whether to conduct ONLINE or OFFLINE examination for Grade V - IX & XI is pending . The school would be in a position to give clear outline only by February 27, 2021, once the circulars from the Maharashtra State Government authorities and Health Department are received.

Till then the students should keep learning and preparing for the annual examination. The parent is requested to be prepared for both online or offline examination to be conducted for their children.

Kindly keep patience till further notification. It is also difficult for school to manage the changed situations.

Thanking you,

*Regards,*
